Effective Friday, July 17 at 12:01 a.m.

The Ontario government has announced that for regions entering Stage 3 of the Reopening Ontario Framework, the Province has lifted the prohibition on real estate brokerages, brokers and salespeople hosting open houses, with public health and workplace safety measures and restrictions in place.

Wear a face covering in indoor and outdoor public spaces.

Open House representatives will make inquiries to screen for COVID-19

The name and contact information of each person who attends an open house will be recorded to support effective contact tracing (to contact those who attended the open house in the event an infection is later identified)

Consider booking an appointment in advance for the purposes of physical distancing, flow management and contact tracing.

The number of individuals allowed into a home at one time may be limited. Be courteous, wait your turn. Lining up while keeping two meters away from others or wait in your car.

Maintain physical distancing of at least two meters metres from people outside of your household or social circle. To maintain a sanitary environment please refrain from touching surfaces, handles, lights, doors, etc.
